

# 029G205 Specification Datasheet

## Brick Info

|                    |                        |
|--------------------|------------------------|
| Product:           | 029G205                |
| Work Size:         | 215mmx102mmx65mm       |
| Colour:            | Red                    |
| Variation/Texture: | Wirecut                |
| Soluble salts:     | S2                     |
| Durability:        | F2                     |
| C/Strength:        | > 75 N/mm <sup>2</sup> |
| W/Absorption:      | < 7 %                  |
| Pack size:         | 500                    |
